JAPANESE WAGYU – A3 & A4 GRADE

Raised on the award-winning farms of Miyazaki, our A3 and A4 Wagyu offer the perfect harmony of rich marbling and bold, meaty flavor. With slightly less fat than A5, these cuts are ideal for yakiniku—tender, juicy, and bursting with umami.

We proudly feature A3 Wagyu Sirloin and Ribeye, along with A4 Wagyu Short Ribs, each carefully selected for their superior texture and taste. Grilled over an open flame, every bite reveals the natural sweetness and depth that make Japanese Wagyu truly world-renowned.
